FUN HOBBIES, BUT NO MOVING

Move Beat

A one-minute neon rhythm game that gets you moving.

Many people want to enjoy their hobbies more. Moving your body can feel like a chore. Move Beat makes it feel like a game.

- Idea: a rhythm game you play with your whole body
- One short round lasts just one minute

How Move Beat works

Move icons fall down three lanes. Do the move, then tap the matching big button when the icon hits the yellow line.

- Three moves: Jump, Hands up and Squat
- Tap the big button with the same icon
- Judgements: Perfect, Great, Good or Miss
- Score, combo and rank show your run

A silly reward, then again

After one minute, you see a funny comparison, like how many fried chicken pieces you moved off. It is just for fun.

- Result: karaage comparison, about kcal and steps
- Clear note: not a real calorie count
- Best score is saved on your device
- Next: decide who the app is for
